(815) 621-1254

Education

Brigham Young University - Idaho

December 2026

Bachelor of Science, Software Engineering - 3.99 GPA

Experience

Dakland Solutions, Denver, Colorado

April 2025

Software Developer Intern (*Project Manager*)

- Led a 4-person remote development team in designing and deploying a responsive web app landing page using *Framer*
- Reduced task backlog by ~25% as a Project Manager, meeting with each member of the team and clarifying priorities, identifying blockers, and assigning actionable next steps
- Created and maintained a project planning dashboard with *Microsoft Planner*, improving communication and visibility across distributed teams

Brigham Young University - Idaho, Rexburg, Idaho

April 2025

Teaching Assistant

- Supported students in using *MySQL Workbench*, ensuring correct setup and *SQL* query execution
- Provided one-on-one tutoring and debugging guidance for student projects involving ER diagrams, relational models, and database implementation

The Church of Jesus Christ of Latter-day Saints, Las Vegas, Nevada

November 2020

Full-Time Volunteer

- Conducted and planned weekly 2-hour training meetings for multiple districts of volunteers, focused on productivity, effectiveness, and organizational skills
 - Supervised 24 volunteers and positively instructed them to reach their highest potential
 - Developed *bilingual proficiency* in Spanish and taught English as a second language twice a week
 - Contributed 8 hours weekly to community service, including food bank support, community cleanups, and assisting individuals with moving needs
-

Accomplishments

- **Completed over 15 personal projects** spanning frontend web development, backend relational database management, and object-oriented program design using *C#*, *Java*, and *Python*
- **Built and hosted a professional online portfolio** on *GitHub* using *JavaScript*, *HTML*, and *CSS* to showcase personal projects, accomplishments, and experience, which can be accessed here: <https://neilpack.github.io/portfolio/index.html>
